04 Client Testimonials

rlogical techsoft pvt. ltd

Mr. Morris

Director of Technology

ReWyre

We have been with Rlogical for almost 4 years now and it's been a great experience. They can provide us with resources across all different disciplines and skill sets in engineering, design, and project management.

Watch Video

Mr. Joe

Founder

Derema Group

We have been with RLogical for about 3 years now and they have done great work for us. We took our Derema Help app and made a lot of requests for changes and their entire team was pulled together.

Watch Video

rlogical techsoft pvt. ltd

Mr. Bob

- Vice President
- Spark Business Work

Hey, I am Bob Armbrister, President of Sparks Business Works, here with Jatin Panchal from Rlogical. We have been partners on many different projects for probably 8 or 9 years now.

Watch Video

Mr. Auz

- Investor & Co Founder
- Forsyth Software Services LLC

I've used Rlogical's mobile app development, salesforce services, PHP development, and data integration. When I started my first startup, I found them and I got some mobile app development work done from them.
